SALT LAKE IS REASONABLY BUSY

Week Just Ended Presented Good Wholesale Trade for the Grocers.

FRUIT AND VEGETABLES HAVE SUCCESSFUL WEEK

Sicily Shortage in Lemon Crop Caused Big Raise in the Prices.

The week Just ended has been a reasonably satisfactory one in nearly all lines of business. The month of October usually is one of the best of the year for the wholesale grocers, most of the car lots business being done in that month This year October is no exception, trade has been encouraging both in Sait Lake and on the road. Retail merchants report a good week. People of Sait Lake tive well.

Commission Lines Good.

Commission Lines Good.

Commission men report plenty of business for the week. Potatoes were a big factor of the week, one firm having handled several carloads of the tubers. The best potatoes that reach Salt Lake are said to be from Morgan, Utch. They bring the highest price. Bananas have divanced in price 20 cents a hundred, and the demand is good. The winter's supply of smoked finnan haddle, bloaters and hallbut is being received from the two coasts.

Recent freezing spells near Ogden runed a portion of the grape crop as far as marketing is concerned. The part of the crop effected will be utilized for wine-making. In spite of this damage 15:00 baskets of Concord grapes were sent to the markets from this locality. Sair Lake securing the lion's share. There are few ranges is, the market. Lemons, which have been musually high, were reduced in price slightly during the week. The high price of lemons is attributed to the chortage of the crop in Sichly. The Eastern markets being in this manner deprived of their usual supply have had to depend largely on California lemons.

Good Sporting Season.

Good Sporting Season.

Dealers in sporting goods announce that the present shooting season has surpassed any of recent years. The demand for roods in the shooting line has been excellent. Sales on fishing tackle have been about normal. Baseball trade was tolerable only. Football is opening upstrong. The disappointment of the season was the tends trade, nothing being done in this line in comparison to what was expected on account of the interest shown in the game all over the East. In the sporting line generally there is not much complaint.

Real Estate Inactive.

As a rule the hotels have had more com the week just past than for many onths, the present trade is not unsatifactory, however. Real estate men still ear their business is discouraging feetal merchants generally report business as fairly satisfactory. The stock market has been rather dull,
